

Twister's Preschool Academy

Opening September 2014
Now Taking Registrations

Ricardo Appel-Owner

Mandy Westerby-Director

Twister's Preschool Academy

Twister's Preschool Academy will be a "Developmentally Appropriate" preschool that will emphasize the importance of educational experiences as well as the art of gymnastics.

We are grounded in the belief that in order to complete the "whole child" concept, we will engage the child's interest in physical, social, emotional, and cognitive development.

We believe that children learn best through play and through real-life experiences. Play is a proven way to work through inner turmoil, learn acceptable social behavior, and problem solve.

We believe learning involves more than letters and numbers, but also exposure to art, music, social interaction, science, and physical activity.

We will use goals and objectives to evaluate our activities both in our classroom and in the gymnastics portion of our day.

We encourage family involvement and will welcome parents to share traditions with us.

Classes Offered:

Mondays, Wednesdays & Thursdays September - May
8:45-11:15 AM for 3-5 year olds who are fully potty trained

\$115.00 monthly tuition

About the Director...

Mandy Westerby was born and raised in Grand Island.

She spent most of her youth doing gymnastics and competing for the Twisters gymnastics team. After high school she went on to earn her bachelor's degree in elementary education from Hastings College.

She taught in the Grand Island school system for four years before staying home to be a mommy. She is married and has three children. During her time at home she has helped teach gymnastics on a part time basis.

Now her children are off to school and she is eager to get back into the teaching world. She is excited to be able to combine her two loves: teaching and gymnastics!
